

Create an Assessment

Step-by-step

How to Create an Assessment

1. Click on **Assessments**, then click on **Add Assessment**.

2. Select the information for your assessment from the drop-down menus, and select your Assessment Source.
Note: If you are uploading a file, you can upload Microsoft Office, OpenOffice, and PDF file types.

3. Select the Question Type. This can include a Mixed Answer type. Enter the number of questions for your assessment. Free users can create up to 10 questions, premium users can create up to 100.
4. Next, select the standard alignment, question type, answer, and points associated with each question. You can also apply tags to questions if your school or district uses them.

5. Enter your cut scores for Mastery Scoring, then click on the **Create Assessment** button.
