

# Delete or Edit Scores in a Tracker

Step-by-step

## How to Delete or Edit a Score in Your Trackers

1. Click on **Trackers**, and select your tracker.
2. Click on the standard title of the assessment where you want to edit scores.
3. Highlight or click on the score to change or delete it. Press the delete key or enter the score you want to change it to. To edit student answers, see [Edit and Delete Student Answers](#).
