

Deliver an Assessment with a Web Browser

Note: After the test answers are submitted, a student can not go back and change them, and you will not be able to reset the test for them. Please make sure that they are aware of this so that they do not accidentally click **Submit Answers** before they have completed all questions on the test.

Step-by-step

How to Deliver an Assessment with a Web Browser

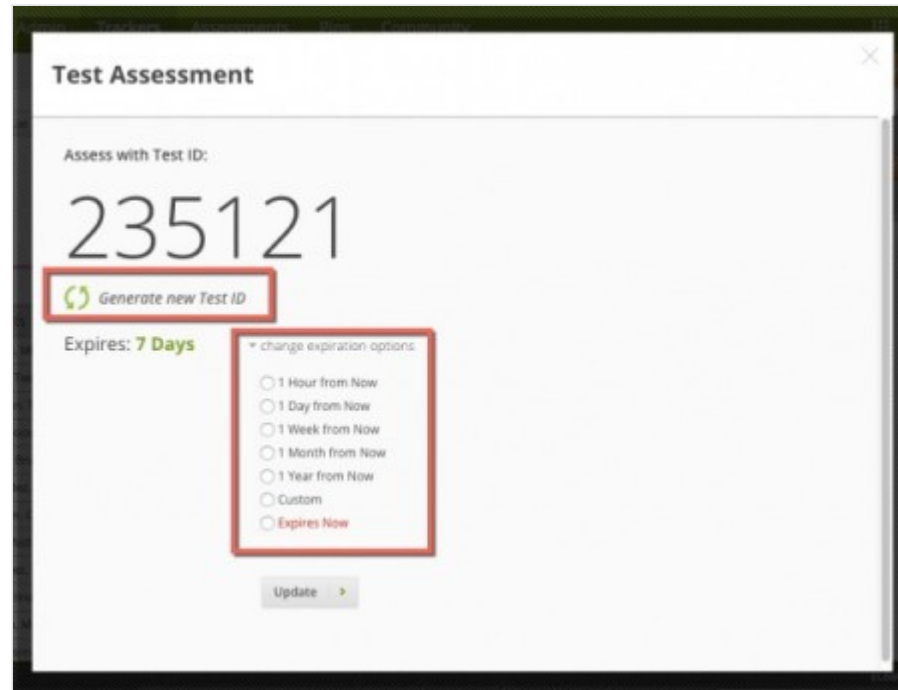

1. Give your students the Test ID number. To find the Test ID number, go to your tracker, hover over the standard that the assessment is in, and then click on **Assess**. Click on the button above the title bar to see the Assessment ID.

The screenshot shows a table with columns for 'Students', 'AVG. PROFICIENCY', and 'T:10 M:9 NM:7'. The 'Assess' button is highlighted with a red circle. A hand cursor is pointing at the 'Assess' button.

Students	AVG. PROFICIENCY	T:10 M:9 NM:7
Anderson, Travis	03	<input type="text"/>
Blake, Madison	02	<input type="text"/>
Davidson, Cayden	007	<input type="text"/>
Finch, Jennie	012	<input type="text"/>
Heath, Jocelyn	004	<input type="text"/>
Hernandez, Jose	006	<input type="text"/>

2. You can change the Test ID to limit student access to the assessment by clicking **Generate new Test ID**. You can also change the amount of time before the ID expires.

The screenshot shows a dialog box titled 'Test Assessment'. It displays 'Assess with Test ID: 235121'. Below the ID, there is a button labeled 'Generate new Test ID' and a section for 'Expires: 7 Days' with a dropdown menu for 'change expiration options'. The options are:

- 1 Hour from Now
- 1 Day from Now
- 1 Week from Now
- 1 Month from Now
- 1 Year from Now
- Custom
- Expires Now

An 'Update' button is located at the bottom of the dialog.

3. Make sure that your students know their Student ID number. Student ID numbers can be found next to students' names on your trackers.

5. Students can take the assessment in a single sitting, or they can use the pause button to save their progress and come back to it later. Answers will be automatically saved every few seconds. *Note: Both uploaded and item bank assessments can be taken using the Mastery Connect Student App.*

An item bank assessment is shown below.

The screenshot displays a web-based assessment interface. On the left, a question is presented: "In chess, Justin won 20 games, tied 8 games, and lost 14 games last year. What is Justin's ratio of total games to tied games?" Below the question are four radio button options: 5:2, 7:4, 21:4, and 21:10. On the right, a sidebar titled "BubbleSheet" shows the user's name "Velasquez, April" and "Test ID: 361537". The sidebar lists "Question #1", "Question #2", and "Question #3". At the bottom of the sidebar are "Previous" and "Next" navigation buttons. A large orange "Submit Answers" button is located at the bottom of the interface.

6. After your students are finished, they will click on **Submit Answers** and immediately see their results. Scores are automatically entered into your tracker.

A screenshot of a 'Finished!' results screen. At the top center is a green circular icon with a white checkmark. Below it, the word 'Finished!' is written in a large, bold, black font. Underneath is a table with a black header row labeled 'RESULTS'. The table contains three rows of data: 'Score: 6/6', 'Percent: 100%', and '6.NS.B.2' with a green button labeled 'MASTERY' to its right.
