

How to set up and access your online account

Managing your Funded HRA online is convenient and easy

The Funded HRA website provides access to your account information when you need it.

- One login to access your accounts.
- Secure and confidential information.
- Self-service option to update address, phone, and email address.
- Ability to reset your password and username.

Registration

ACTION REQUIRED: All users, regardless if first-time or returning, must complete registration (steps 1-7).

1. Go to MyBenefitsPortal.tasconline.com.
2. Click New User. The Register New User page opens.
3. Fill in the requested fields and set your Username, Password, and Security Question.
 - Email address is required.
 - Password must be a minimum of six characters.
 - Security Question will allow you to reset your password and unlock your account.
4. Click Register Account. The Profile page opens.
5. Confirm your Profile information, update as necessary.
6. Click Update Profile. The Welcome page opens.

7. Click Open My Account which directs you to the appropriate web portal.

NOTE: If this is the first time you are logging into the Investment Portal, you will be required to change your PIN.

- Enter Current PIN = last four digits of Social Security Number
- Enter New PIN – It is not necessary to remember this number so we suggest you use 1111.
- Enter Confirm New PIN.
- Click Submit PIN Change.

NOTE: If this is the first time you are logging into the Claims Portal, you will be required to answer a security question. You will be asked to correctly answer this question when completing sensitive functions.
