Learning Standards Chart

What do we want our students to learn?					
Grade:	Subject:	Trimester:	Team Members:		
Identify and Describe Standard	Example of Rigor	Prerequisite Skills	When Taught	Common Summative Assessment	Extension Standards
What is the essential standard to be learned? Describe in student friendly language.	What does proficient student work look like? Provide an example or description.	What prior knowledge, skills, or vocabulary are needed for a student to master this standard?	When will this standard be taught?	What assessment will we use to measure student mastery?	What will we do when students have already learned this standard?
