### OPTIONAL GUIDE FOR COURSE REGISTRATION:

- Use this as a guide when entering requests into Infinite Campus Academic Plan

- Fill in your 15 requested courses below- this should include both required and elective courses needed for the upcoming year
  - Each box below represents one trimester (A multi-trimester course would utilize multiple boxes ie: 2 trimesters = 2 boxes)
- Add 5 Alternate courses (back up courses)

1.			11.	
2.			12.	
3.			13.	
4.			14.	
5.			15.	
6.			Alternate 1	
7.			Alternate 2	
8.			Alternate 3	
9.			Alternate 4	
10.			Alternate 5

## Elective Options- Areas of Interest

Several factors, which include, but are not limited to, budgeting, staffing and student requests will determine if a class is offered. It is critical that courses and alternates are chosen carefully.

### Art Department

- Exploring Art & Design
- Drawing
- Drawing 2
- Painting 1
- Painting 2
- Ceramics 1
- Ceramics 2
- Ceramics 3
- Sculpture
- Graphic Design 1
- Graphic Design 2
- Photography 1
- Photography 2

### Business & Marketing Education/ Future's Prep Department

- DECA 1 (CTE)
- DECA 2(CTE)
- College Introduction to Business (CTE)
- Accounting 1 (CTE)
- Small Business Management (CTE)
- Sports and Entertainment Marketing (CTE)
- Personal Financial Management (CTE)
- Keyboarding (CTE)
- Web Design (CTE)
- Futures Prep Finale 11 (CTE)
- Futures Prep Finale 12 (CTE)

### Family and Consumer Science Department

- Beginning Sewing Level 1 (CTE)
- Advanced Sewing Level 2 (CTE)
- Discovering Foods (CTE)
- Foods For Life (CTE)
- World of Foods (CTE)
- Child Development Careers (ACC) (CTE)
- Theories of Child Development (ACC) (CTE)
- Relationships and You (CTE)
- Teen & Family Issues (CTE)
- You and Your Money (CTE)

### Language Arts Department

- Focus on Drama
- Acting/Directing
- Creative Writing
- Humanities

### Medical Careers Department

- Exploring Health Careers (CTE)
- Medical Terminology (ACC) (CTE)
- Career and Technical Anatomy and Physiology (ACC) (CTE)
- Disease Conditions (ACC) (CTE)
- Introduction to Nursing Assistant Registered (NAR) (CTE)

### Music Department

- Mixed Choir (Troubadours / Saints Choir)
- Bel Canto
- Honors Concert Choir
- Honors Madrigal Singers
- 9th grade Symphonic Band
- Concert Band
- Honors Wind Ensemble

### Physical Education/ Health Department

- Lifetime Activities
- Fitness Training Recreational Team Sports
- Competitive Team Sports
- Strength and Conditioning Development
- Female Fitness
- Outdoor Adventures
- Outdoor Winter Activities
- Accelerated Power Volleyball

### Science Department

- Anatomy and Physiology (Honors Biology)
- Minnesota Natural Science
- Environmental Science
- Forensic Science
- Astronomy

### Social Studies Department

- Introduction to Psychology
- Political Science
- Sociology
- College Psychology

### Technology Education Department

- STEM Engineering (CTE)
- Power Mechanics (CTE)
- Automotive Maintenance (CTE)
- Automotive Technology (CTE)
- College Advanced Automotive (CTE)
- Auto Body Technology (CTE)
- CAD Drafting (ACC) (CTE)
- Wood Technology and Processes (CTE)
- Cabinetry (ACC) (CTE)
- Advanced Cabinetry and Furniture (ACC) (CTE)
- Basic Home Maintenance (CTE)
- Electrical Power/Robotics (ACC) (CTE)
- Residential Building Construction (ACC) (CTE)
- CAD/CAM (Computer Aided Design & Manufacturing) (ACC) (CTE)
- Metal Technology (CTE)
- General Metals (CTE)
- Welding & Fabrication Technology (CTE)
- Machine Tool Technology (CTE)
- Saints Manufacturing (CTE)

### World Languages Department

- German Language and Culture 1
- German Language and Culture 2
- German Language and Culture 3
- German Language and Culture 4
- Spanish Language and Culture 1
- Spanish Language and Culture 2
- Spanish Language and Culture 3
- College Spanish

# Tips for Success at St. Francis High School

We are proud to offer exceptional education and preparation for your future. As you consider your courses for next year, here are some points to consider:

- **Think of a plan for your classes for the remaining year(s) in high school.** It may change along the way, but knowing where you want to be as a senior will shape your decisions now. Serious thought about an overall educational plan is essential.
- **All students are required to register to take 15 classes per year.** Students should not count on being able to request or enroll in a specific class after the registration deadline.
- **What kinds of interests do you have for beyond high school?** Ask people in the professions in which you have interests. What kind of preparation they would recommend?
- **Make yourself attractive to colleges you are interested in attending or make yourself attractive to the career field supervisors before you work in the profession.** Make contact with an admissions representative or supervisor to see what they are looking for in candidates for their schools or career fields. This information is especially important if you are interested in highly selective schools or careers.
- **Consider taking rigorous courses.** It is the last time in your educational career you will have the opportunity to get a free education. In post-secondary levels, you have to pay to learn. Take the courses in high school that might be interesting to you.
- **Sometimes a student finds he or she does not have the correct credit requirements.** If you do not meet the credit requirements, you will be encouraged to make up the course during the next trimester or over the summer. Each student who participates in the graduation ceremony will be required to complete all necessary graduation requirements beforehand.
- **Ask your counselor or a teacher for help.** We are here to assist you. The names and phone numbers of the counselors (in addition to the students they serve) can be found on the website.
